

Following advice and guidance from our Area and District, and consultation with Doxford Place Church Council, we are delighted to inform you that **our church is open again from now on for led worship**. As before this is subject to centrally imposed restrictions - face coverings to be worn at all times in church, no hymn singing and no mingling with those outside your bubble within the church building.

If you would like to come to any of the services please reserve a place by contacting Lillian Bolton 731642. Please note that the service on April 18 will have Leprosy Mission as its theme and the service on May 23 will be Holy Communion led by our own minister.

*A message from Hazel Weatherill.*

April 18th is our Leprosy Mission Sunday & the service will be related to that. Until 24th April our Government is matching donations given to TLM, so anything we give will be doubled in value. All charities have suffered this year, & TLM is a Christian foundation, funded largely by churches, so all gifts are welcome. Some people will have donated directly to TLM, but if anyone not attending church wants to give me their donation I will be in the church carpark on **Saturday 17th between 10.45a.m-11.30am**. I have TLM envelopes available, but they are not necessary. Cash or cheques (made payable to The Leprosy Mission) are acceptable.

I'd be grateful if you could pass this notice on to anyone without e-mail who might be interested.

Thank you.
